The designated mission for VBS this year is collecting clothing of all sizes for all ages to be given to Samaritan House. This organization sells donated clothing in their thrift store, and also at this time of year begins collecting clothing for needy school children for the beginning of school. We also will be collecting coats of all sizes for them to give out when the weather turns colder (as it surely will!). The profits from anything sold in the Samaritan Store is donated to the Snack Pack for Back Pack programs in Benton County. Please hold your donations until the week of VBS, when we will be collecting what you so generously will be bringing. If you would like a receipt for what you bring, please let the Office know.

Glimpses of Grace

Rev. Jeanne Williams, Senior Pastor

Summer! That magical time when everything seems to slow down; and watermelon, ice cream, picnics, parades, vacations, graduations, and weddings fill our calendars and social life. Even the church calendar is full!

Just because it is summer, we can't neglect our spiritual life. I know how hard it is to remember to do your daily devotional in the midst of vacation, but it's necessary. Every time we connect with God, we create more space in our hearts for God to transform us as God's disciple.

As you move about your summer plans, look for opportunities to worship in new places, to share kindness and love where you are, and to remember that God is always with you.

I am excited to begin my second year as your senior pastor. We have so many great ministries happening at First Bella Vista and I'm looking forward to growing and expanding these ministries with you. My prayer, as always, is that we continue to seek God's plan for us as we strengthen our own relationship with Christ and help others to strengthen theirs.

Blessings, *Rev. Jeanne*

VISTA KIDS

Angie Rader, Director of Children's Ministries

Welcome to Summer. It is going fast, as always. Thank you to all the people who have given me rides and helped me out with my leg. It has been over a month now and even though it is getting better, I still have a few weeks before I can lose the boot.

Now with July here, we are getting ready for VBS which is Sunday, July 22nd to Thursday 26th from 6 to 8:15 pm. Our theme is Cokesbury's *Rolling River Rampage*. Come on a white water rafting adventure to experience the ride of a lifetime with God.

We still need volunteers. There is a sign up sheet in the office. WE would love to have you be a part of the adventure. Thank you so much for your support in our fund-raiser of adopting a child to sponsor for VBS. We have raised over \$1100 so far! That is truly amazing, and I thank you so much.

WE will have a Safe Sanctuary training on Sunday, July 8th at 11 am in the Chapel/Parlor. If you are unable to attend, we also have one scheduled Saturday, July 21st at Noon in the Chapel/Parlor. This is a must for all VBS volunteers, even if you had it last year. For anyone who works with children, this is now an annual requirement. The training takes less than 2 hours - a video and open-book quiz to be requalified.

Ms. Jessica needs everyone's help in making decorations, so please plan on helping and bring your paint shirts for decorating day Saturday, July 21st at 10 am.

We are looking for a Sunday School teacher for the 2nd and 3rd grade. If anyone is interested, please let me know. This is a great group of kids and would love to have a teacher to help them learn about the Bible. As always, if you have a questions or suggestions or would just like to talk, please feel free to talk to me anytime.

In his Service, *Ms. Angie*

JOINING in the JOURNEY TOGETHER

Rev. Brenda Wideman, Associate Pastor

Compassion and Justice

*He has told you, human one, what is good and what the LORD requires from you:
to do justice, to embrace compassionate and faithful love, and to walk humbly with your God.
Micah 6:8 (CEB)*

I am a child of the '60's and a song from that era which I distinctly remember was "What the World Needs Now" written by Burt Bacharach and sung by Jackie DeShannon. The chorus goes like this...

*What the world needs now is love, sweet love. It's the only thing that there's just too little of.
What the world needs now is love, sweet love, No, not just for some but for everyone.
No, not just for some, oh, but just for everyone.*

Unfortunately, this world we live in is **not** a just or a loving place. God's kind of justice and the type of love which Christ came to bring, not just for some but for **everyone**, is very much lacking around us.

The ministry of a deacon in our United Methodist Church is a ministry of compassion and justice; a ministry that spreads the love of Christ not just to some but to everyone. In my ordination, the Bishop blessed me and gave me authority to be in a ministry of compassion and justice, and also to lead God's people in this same ministry, both inside and outside the church. This is a ministry we, you and I, share together, we have shared it in the past four years and we will continue to share it in the coming years.

I spent the weekend after ordination savoring the events of the days of Annual Conference, sitting on my back deck in the beauty of creation, and just letting the Bishop's words sink deep into my soul. I spent that time also savoring the events of the past four years here at FUMCBV. I am so thankful that we have been on this journey together. I am thankful for my years of ministry serving here. I am thankful for each of you, how you have touched my life and deepened my love for God's people. I am thankful for Bro. Jaimie and the amazing support and opportunities he gave me to grow in ministry. I am thankful for Rev. Jeanne, her wonderful friendship, and the trusting partnership in ministry we share. I have worked with and for many different individuals over the years, but the relationship Rev. Jeanne and I share is with a trust that brings me peace in our ministry together. To God be the glory for the great things God has done!

I thank each of you for your prayers, your support, your presence at the ordination service both in Hot Springs and in Becker Hall (thanks, Sarah and SPRC!), your wonderful heart-felt cards and messages within them, your hugs, your smiles, the pot-luck dinner (thanks SPRC for organizing this and all of you for the delicious meal you prepared!), your kind and thoughtful gifts of money and items of remembrance for this occasion. I am overwhelmed by your outpouring of love, support, and friendship.

I look forward with hope to the ministries of compassion and justice which God will lead us toward as we join in our journey together as the years ahead unfold.

Blessings on each of you, Pastor Brenda

UNITED METHODIST

JULY DINNER MEETING

Our meeting of the United Methodist men will be on Wednesday, July 11th at 6:30pm in Becker Hall. Our speaker is still to be determined, but Tom Judson has agreed to come if you would like to get the "word" directly. So regardless of who the speaker is, please come on out for fellowship and spiritual relationship. Lou attended Annual Conference in Hot Springs and will share some of the more in-depth insights of what went on. Dinner will be catered by Rhythm & Q and will be as fantastic as ever. Contact Lou Kaufmann at 366-1291 or at lou@krrealty.com or the church office (855-1158) no later than Monday, July 9th to make your reservation.

Lay Leader Message

This was my first Annual UMC Church Conference, and certainly not my last. It was interesting, informative, and certainly reflective on my spirituality. All I am going to say is "WOW" and "HOLY WOW"!

The Message and direction is about God's pathway to hope. That God's still God, and God's not finished yet. The Hope was about the struggle in the church and that all churches are struggling in Arkansas and they are struggling to keep our churches going and we are not alone. We are currently more focused on survival than revival.

Almost all churches in Arkansas are growing smaller, but God is still God, and God is not finished yet, and the hope we need is God's Hope. The answer is, It's Simple, It's Basic, and It's Eternal. We need Jesus as the cornerstone of our lives.

God loves people who we have a hard time loving, but Jesus' love is a total love. It is great to be a struggling church.

MISSIONS

Helping Hands

Did You Know? Helping Hands started 42 years ago when a single mother who had lost everything needed help. Her church put out a request to its members for donations to help her and when they had such an overflow of items, they decided to keep them and give them to any others that may need things. When other churches heard what they were doing, they decided that was a good idea and when the donations grew to be overwhelming, the idea of a store to sell it in came up. And Helping Hands was born!

So now the store at 2602 SW D Street in Bentonville not only sells low cost used items but has grown to include a Food Pantry that provides food daily for more than 260 people. Over 86 cents of every dollar goes back into the community by giving out over 2 million dollars in assistance to Benton County residents yearly. It now operates with a small paid staff and over 100 volunteers. Our church has participated since the beginning by providing workers on 3 or 4 Saturdays a year to work out back with guys accepting and moving donations with women working inside by cashiering, bagging and upkeep of the sales floor. We've also always had members who volunteer weekly on other days.

So now our 2nd work day for this year is coming up on Saturday, **July 21**. We will have 2 shifts as usual. We'll need guys from 8am to noon and both guys and gals from noon to 4pm. This is a great "hands on" mission, so please consider helping out. The signup sheet will be in the office or see Verna 876-1392.

We thank you for your overwhelming support of our drive to raise \$3,500 for our current apostle build for Habitat for Humanity of Benton County. We fell slightly short of our goal, raising \$3,310 which was donated at Habitat's recent awards Banquet. (that's 331 out of 350 squares filled in on our house plans! What a great job you did!!)

Chet Campbell, John Justice, Artie Lawless Weldon Hyde, and Ted Ivy were the carpenters for the large storage shed which was built for the latest homeowner recipient.

Habitat for Humanity is a nonprofit housing organization working locally and in nearly 1,400 communities across the United States and in approximately 70 countries around the world. Habitat's vision is of a world where everyone has a decent place to live. Visit their Restore Shop at 1212 N. Walton Blvd. in Bentonville and volunteer for the next build!

July Mission of the Month

Youth Bridge is a non-profit agency that serves over 3,000 youths and their families each year in the areas of abuse, neglect, addiction, homelessness, mental health issues and behavioral problems. Our services range anywhere from providing an immediate safe haven, to individualized treatment plans, aftercare and support, prevention programs to offering transitional living. Youth related substance abuse, homelessness, and behavioral problems are not limited to select zip codes, social economic groups or certain geographic areas of northern Arkansas. These are our neighbors and our children's friends that need help. Youth Bridge is there to help turn the lives of troubled youth around and guide them back to a productive life. It is a community problem that requires a community solution.

Values are the foundation of our organization.

In everything we do, we believe that all youth should have the opportunity to reach their full potential. The work we do is to serve those youth that are impacted by circumstances that may have an adverse effect on their well-being. Our goal is to provide safe, supportive, and empowering services to teens and their families that will give them the tools and inspiration to resolve their crisis and prepare them to achieve lasting personal changes that will allow them to lead healthy and productive lives. From prevention to aftercare services, Youth Bridge is there every step of the way by providing the best care and therapeutic support, innovative services and activities, guidance and hope to each and every youth we encounter.

Museum

All singles are welcome to join in the fun activities this group has every month. This month they are meeting at Blowing Springs Park for the 4th of July Community Band concert (see page 5 for more information)

The HARVEST TABLE is now open in the hallway leading to Becker Hall. Any extra vegetables you have from your garden will be greatly appreciated. All proceeds go to our Missions ministry.

"Snack Packs for Back Packs" BANKS

When Cooper School first opened 10 years ago, only 40 students were eligible for the "Snack Pack for Back Pack" program. Due to changes in demographics and school boundaries, Cooper School now provides 140+ students with these much needed hunger packs each Friday.

FUMCBV has again been asked to be a part of this very necessary program, in the 2018-19 school year. We'll be responsible for 20 students each week. Other churches and the Samaritan Center in Rogers are picking up the balance of the students in need. You'll notice the "goat banks" are out full time -one in the hallway across from the Library and one in the west hallway by the entrance to Becker Hall. The Mission Team's focus is on raising funds now so that each month after school begins, our goal will be met. We estimate that it will take approximately \$150-\$200 per month to pack 80 healthy food bags. This last year we collected lots of quarters ~ and

HELP WANTED ~
we can still use more help from

to Tend Our Flowerbeds for the
Summer

This would be a perfect project for a Circle, Shepherd Group, Sunday School Class, or other groups of folks. The job entails: *Attend to flower beds, *Purchase flowers to plant (church pays for plants) *Plant them, *Water

folding quarters!!! You also can write a check (put "Snack-Pack" in the memo) or pay on Sunday with your credit/debit card. Most months we met our goal, but still more is needed and will be, especially after school begins again in August.

The Care and Share trailer will be in our upper parking lot on Monday, July 16th from 7:00am til about 1:00pm. What is sold in the Care and Share Thrift Store and Food Pantry in Gravette is all donated items, and the profits go to support those in need in western Benton County. They take donations of all kinds.

From the Organ Console

Broc Hite, Organist/Associate Director of Music

I am preparing to play Dudley Buck's Concert Variations on the Star-Spangled Banner for postlude on July 2nd. It's a little frightening since they are virtuoso variations with some very difficult passages. Hopefully, my hardship will bring some joy to you! Dudley Buck was the first honorary president of the American Guild of Organists in 1896, and this is his most famous composition.

For the rest of the month, I'm going to keep it low key with a lot of wedding music that I sadly don't get to play anymore. In the five years I have been at First Methodist, there has been exactly one wedding with organ music. I invite you to pick your favorites, and let me know what you'd choose if you could do it all over again!

For the month of August, I will embark on the second set of Schubert Impromptus, Op. 142. Though these pieces are really a continuation of the first set, they are noticeably more complex, and thus, more difficult to play. Why write about them now? Well, I'll be practicing them all month to make sure they're ready to go!

Broc

Thank you to everyone who gave to the VBS fundraiser. It was a huge success! We raised over \$1100. WE are so thankful to the members of our Church for helping us out this year and for supporting the Children's Ministry. We could not do any of our events with out your love and support and help. Thank you to SPRC for helping us with this. God Bless.
Angie Rader

I want to thank everyone for their cards, phone calls, and visits while I hospitalized and in rehab for my hip replacement. God Bless all of you.
Diane Cox

Thank you so much for giving to the UMW "No-Bake Bake Sale". If you have not returned your envelope, please do so soon. Let's make this the best sale ever! Thanks to Janet for all her help.

Nancy Spangler

Thank you so much for being a donor to our ministry during the 2017-18 school year! This academic year, 13 churches hosted us for Mission Moments to raise funds for our ministry and its outreach to the students at the University of Arkansas. We ask your prayers for the coming year as we continue to connect students to Christ and his church.

Emily Burch, Wesley College Ministry

Thanks to all my First United Methodist Church family for your prayers and concern in the loss of my brother. The calls, cards, and caring thoughts were much appreciated.

Nancy Spangler

Thanks so much for the recent donation of food. This will certainly help fill our pantry and feed hungry people in our community.
