

FIRST UNITED METHODIST CHURCH of BELLA VISTA

The Good News

FEBRUARY 2025

We are adding to our existing Shepherd groups!

In addition to the healthy ongoing Shepherd groups, new "WB's" are forming. WB's will be the nickname for the new groups coming from the original "Wesley Bands" of the 18th century.

The newest groups are Acorns, Chill, Dreamers, Grand Central, K.I.M., and the Warriors. You may decide you would like to join one of these brand new groups. The details on when and where they are meeting in February can be found on our church calendar (pg. 6 of this newsletter). Look for the WB entries. Each group has 6-7 members now and can grow to +12 or so. You and a few friends may decide to start your own new "WB" group. Create a group and let the office know when and where you're meeting (and those in your new group). It's an exciting time to gather in Christian fellowship. Yes, you can belong to more than one WB!

From Rev. Ron Hayes

“Sharing the Gospel” in Today’s Bella Vista

A great group of more than 40 of our faithful worshippers participated in the Envisioning session on Saturday, January 25th. We had an active and exciting discussion on the great growth curve Bella Vista is experiencing and the opportunities it creates to share the Gospel with others.

We did a quick review of the current statistics of the age demographics of First United Methodist Church as part of our year-end reporting to the Arkansas Conference. A longer review of the latest Bella Vista Census data was also shared.

Here are a few of the key numbers from that review of Bella Vista data:

- **50% of the population by age is between 18-64**
- **30% of the population by age is above 66 years of age**
- **74% of FUMC BV’s population by age is above 66 years of age - a huge variance/opportunity**
- **12, 894 households are now in Bella Vista!**
- **32% of the current BV residents have moved here in the last 9 years**

In the Scriptures, Jesus is constantly and consistently instructing us to share the Gospel. The Gospel is the Word of God telling us about the love and grace of Jesus. We share the Gospel by showing others the wondrous love meant for all. What we say and do is far more informative than quoting a verse or two. It is often asked this way, “Will they know us by our love?” To quote John 13:35, “I give you a new commandment: Love each other. Just as I have loved you, so you also must love each other. This is how everyone will know that you are my disciples, when you love each other.”

The clarity of whether we are to reach out into the community is beyond doubt. We are “commanded” to go and connect, to share, to love our neighbors; the ones we know and the ones we have yet to meet. It is not about opening the doors on Sunday morning and shouting, “Y’all are welcome here!” While we are to do that too, it is about what we go out and do beyond the campus that will be the key difference in answering the commandment of Christ.

Now is the time! The biggest challenge in “going and doing” in new ways in new places with new friends is always simply getting started. Who can and will participate in the concept discussions? Then making the plans, gathering the support financially, and getting the actual hands and feet that might be needed together. Edmund Burke, a 19th Century Anglo-Irish statesman, said: “Nobody made a greater mistake than he who did nothing because he could do only a little.”

Those in attendance agreed to “get started”. Ideas were shared and possible goals were stated out loud. Now is the time! We need to connect to the Scouts in our building and make deeper and more meaningful connections with Cooper Elementary programs. Creative community efforts were also bounced around. Now is the time!

The Son of God is shining brightly in this place with this group of Believers. We, the worshippers of FUMC BV, are going to hear and heed the commandment of Christ and go out into Bella Vista to share the Gospel – even if it stretches us in new and amazing ways. Now is the time!

Peace and blessings,

UNITED METHODISTS OF
Arkansas

“Neighboring is not a way to grow your church, it is a dare to faithfulness.” – Tim Sorens, Parish Collective

One More Question is an initiative to support local churches in being better neighbors and partners in their communities. The goal is to teach, train, and resource congregations who want to design outreach ministries WITH their community. There is specific support for smaller churches (those who worship with fewer than 200) so that all ARUMC congregations can step out in faith to ask One More Question.

Much of the training offered through One More Question will focus on asking churches questions about themselves, their neighborhood, neighbors, and their communities. As churches take action, relationships with their neighbors and community will strengthen, ultimately creating ministries and programs that make room for OTHERS to join with the congregation, and vice versa, in order to build stronger communi-

ties. Get more info at: arumc.org/our-ministries/one-more-question. **Local One More Question Training is at Elm Springs UMC on Sunday, 2/16, from 2:00-5:00pm.**

Blessing Box Food Collection

For the **BLESSING BOX** this month, we could use **SHELF-STABLE MILK** (like Parmalat), **PEANUT BUTTER**, **MEATY SOUPS**, **CHILI**, **STEW**, & **CANNED FRUIT**. Medium-sized jars of peanut butter are best so they fit in the Blessing Box. Please drop off your donations in Room 5, the Blessing Box Room, or the office. **AS ALWAYS, PLEASE NO EXPIRED, DENTED, OPENED, OR UNLABELED CANS. IF YOU WOULDN'T EAT IT, WE DON'T NEED IT.**

A special **THANK YOU** goes to **BARBARA BROOKS** for the **15 HANDMADE SCARVES** and the carload of food she donated for people in need. And a **BIG THANK YOU** to **SANDY FITCH** who donated **HANDMADE KNIT CAPS**. We also thank all of you who continue to bring in food and other contributions for the **BLESSING BOX**. Your donations are all helping people out at a time of year that can be really trying for some.

AN EXAMPLE OF HOW YOUR DONATIONS HELP: A gentleman who lives in the neighborhood stopped by the office and said he uses the Blessing Box regularly because he only has Social Security. He also mentioned he has cancer. He said he enjoys giving the Pokemon cards in the library box to his grandkids & asked if we put them in there or if it was someone in the community. I didn't have an answer for that. So, if you're the one donating Pokemon cards, they are greatly appreciated! The food in the Blessing Box is too!

SNACK PACKS for BACK PACKS

With colder temperatures comes higher heating bills leaving less in the budget for food so kids could be missing out on important meals. These snacks help keep growing bodies going. Help us provide 40 sacks of food per week for Cooper Elementary School kids in need. Your quarters help us accomplish that goal. Deposit them in the big, clear plastic Snack Packs tube located on the little table in the Becker Hall hallway or in the one in the narthex.

Power of One

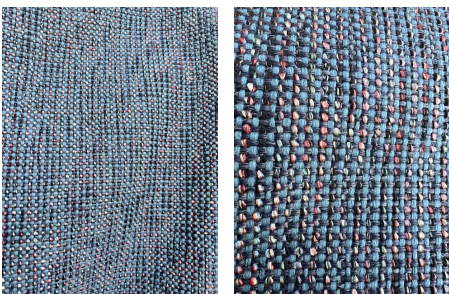

The concept is really quite simple. Fold a one-dollar bill lengthwise like in the pics at left and place it in the offering plate. The bill's unique fold will signal the Finance team that it is meant to be used for local missions only. Because \$1 is just \$1 until it's added to a bunch of others, then it becomes a tool for local missions.

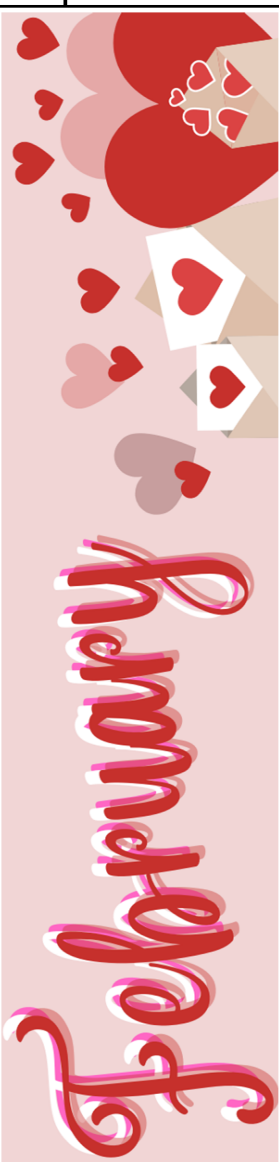

On behalf of the FUMCBV Missions Team, John & Mary Hixson delivered a \$2,000 check to Saving Grace on Wed, 1/29, which was very much appreciated. Pictured with John & Mary is their Director Candice Castillo. This was made possible by you!

Pews Newly Reupholstered

The pews in the Sanctuary have been reupholstered. At left are photos taken outdoors of the lovely, new fabric so you can really see the colors. The lighting in the Sanctuary didn't allow the camera to do it justice. As you can see in the bottom photos, they look grey. While the bulk of the project has been completed, there are a few benches and pews outside of the Sanctuary that still need to be done. Also, because the upholstery company no longer upholsters metal chairs (that was a surprise to us), we'll have to either purchase new Chancellery chairs for the choir or find another company to cover them. The last photo is of a pew next to the new carpet. Speaking of carpet, since there are production issues with the carpet we chose, the carpet saga continues... 😊

THANK YOU, W&J PAINTING!

Weldon Hyde & Jim Bilyeu were at it again, and, boy, am I glad! They painted my office and the Office Angel office. The old shade of pink was replaced with a bright white-grey. It is such an improvement and it even matches the new carpet. I didn't catch them in action because they worked after hours, but you can see the color difference and the fantastic job they did in the photos. Thanks again, guys!

United Women in Faith

GREETINGS FROM UNITED WOMEN OF FAITH!

Everyone in Bella Vista enjoyed waking up the morning of Friday, January 10, to a Winter Wonderland. It was God's hand that placed the beautiful flakes in the trees, bushes, and landscape.

The Executive Board of UWF met Wednesday the 8th of January with several new board members present to plan the activities for the coming year. Diane Verville, Program Resources Chairman, encouraged all of us to read the new books in the library.

If winter has you looking for a way to keep busy, boy, do we have a deal for you! The holiday bazaar workshops will start up again on Thursday, March 6th, from 9am to 2pm in the Quilt room downstairs. We'd like to personally extend an invitation to the new members at church to come and be part of the fellowship. It is a great way to meet new friends. Everyone is welcome. Come with your own project ideas or come help cut out items, press material being used, or even sew items. We *can* find a job for you.

DATES TO REMEMBER:

Register for October Sager Brown Trip by 2/28

We are planning a trip to volunteer at Sager Brown the week of October 26. We would leave from the church on Saturday, October 25. To attend, you must register and pay a \$40 registration fee by the end of February. If you are interested, see Verna Bottjen. You can call her at 876-1392 for questions.

The trip does involve some personal expenses for lodging and meals provided on the 25-acre campus. Work consists primarily of assembling the 3 different supply kits, but there is also a wide variety of work opportunities allowing for different physical abilities on campus and in the community. You can check out more info here: <https://umcmmission.org/umcor-supply-depots>.

Sager Brown is an UMCOR (United Methodist Committee on Relief) sponsored depot in Baldwin, LA, that is a center for relief supply operations. After being shut down for a few years because of COVID, they are up and operating again, shipping out approximately \$4 million in supplies in response to disasters in the US. They also reach out to the local Baldwin community through housing rehabilitation, food distribution, and educational programs. The many volunteers who come to Sager Brown each year make this all possible. It is a mission experience for all ages, capabilities, skill sets, and desires to support God’s children who have undergone a disaster in their lives.

The next **UMM** meeting is on **Wednesday, 2/19**. Dinner is at **5:30pm** in **Becker Hall**.
 The meeting will follow at **6:00pm**.
Topic: Rick Echols, Superintendent
Lake & Fisheries Department Bella Vista POA will be speaking. *Fishing will *actually* be discussed this time.

**ALL METHODIST MEN ARE MEMBERS OF THE UMM
 & ARE ENCOURAGED TO ATTEND.**
