AUGUST 2022

The Discipleship Journey

Rev. Ron Hayes

August brings more hot weather and Back-to-School time. We are blessed to host a really good Pre-K program. Have you met the Director, Melanie Nichols? I look forward to working with her and enjoying time reading and playing with the Caterpillar Class (ages 3+ before August 1st) and the Butterfly Class (ages 4+ before August 1st). The Caterpillars meet Tuesdays and Thursdays from 8:30am until 11:30am. The Butterflies are here Monday, Wednesday, and Fridays from 8:30am until noon. Reading, drawing, and playing games with the kids is good for them and good for me and good for all of us.

Cooper Elementary is also close and looking for volunteers for many different ways to directly connect and bless the children. I started as a "Bronco Buddy" in March of this year after learning of my new appointment. A Bronco Buddy has lunch once a week with an assigned child – I have two "buddies". I can connect you with Jalynn Mayo, the School Counselor, at Cooper. Yes, background checks are required to volunteer at Cooper or Bella Vista Pre-K downstairs but the process is fast and free. I highly recommend getting involved!

We do many good things to support the children in the church and in the area but one of the most important things we can do is one-on-one time with the children, to know their names. We should work to also know their doll's name(s), favorite colors, favorite movie songs, sports played, dancing recital dates, and artistic endeavors as well as their early career aspirations. We bless them with backpacks, school supplies, Trick or Treat candies, et cetera but to sit and spend time with them or a class is even more of a blessing. One of the best free entertainments things you can do is take a lawn chair to the soccer fields and ball fields and meet the kids and their parents. Games or practices, cheer for everyone and both teams - and its free! You don't have to coach or referee – just connect and be a good example.

Jesus said: "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these" (Matthew 19:14). In our discipleship journey, we are called to go to the children. Our kids, or grandkids, may have outgrown the elementary schools and the ball fields, various courts (tennis, volleyball, and basketball), and dance recitals or they may be too far away to see most evenings and Saturdays. There are well over a thousand pred-k and elementary kids in Bella Vista. Do you know the names of the ones in your neighborhood? What grades are they in this fall? Here is the challenge: if you have time and the ability to play golf, play pickleball, play cards, play bingo, play Mahjong, sew, garden, sing, and/or dance, you can also connect with a child. If you were to ask Jesus what your discipleship walk would look like, what do you suppose he would suggest to you to help build Christ's Kin-dom here and now?

Yes, we will continue to share the material blessings as they are desperately needed. We will also share smiles, kind words, occasionally a hug to two, and a listening ear. Those are desperately needed too. Christ loves them all!

Meeting our Pastor and his Family—installment #2

Has the newness worn off? It certainly hasn't for me as I flip through the Directory and realize how many names I cannot put with the right faces — yet. I am much more concerned about getting to know you than sharing my story, but I know it is a two-way street, so here is Installment #2. This will be the end as I am not going to try and match the "Fast and Furious" movies where they are ready to release the tenth one soon.

In conversations with the people I'm meeting, I am finding that many of you are curious about three main areas: my Call to Ministry late in life, to know more about my adoption, and oddly enough, my days as a wrestling official and soccer referee. In turn, they want to know about Julie's design work.

Julie took fashion design at Iowa State and over time received a BA in Studio Art from Salem College (in Winston-Salem, NC). She would have finished at Iowa State or anywhere else much sooner except I kept moving her around the country: Iowa to Texas, to California, to Texas, to Oklahoma, to South Dakota, to Colorado, to Texas, to North Carolina, and to Arkansas. The list does not include moves within states. She did pattern and design work for Henson-Kickernick and then HanesBrands, Inc. where she focused on intimate apparel for Bali, Barely There, Hanes Her Way, Just My Size, and the Wonderbra brands.

A quick review of my refereeing days includes a lot (a whole lot) of soccer matches and being honored to officiate several North Carolina High School State Championship tournaments in wrestling. I did some baseball but the need was far greater for soccer and wrestling officials, so I did what was best for the kids.

I'm going to leave more details on the adoption for our face-to-face discussions, as I am still learning more about it every day. Small group (10-15 folks) meet-and-greet times are being scheduled, where Julie and I will have a more relaxed time to meet you. If you would like to host one of these groups, either in your home or in the Parlor at church, please contact the office. Invite friends within our church family for a time of fellowship.

My Call to Ministry is best left for face-to-face discussions also, but it is an amazing and grace-filled story. I kept trying to do more and more for others and for God without completely submitting myself to what God wanted. I was too full of myself and I thought I knew what God wanted, and what others should want, to stop and listen to that still small voice of God. I volunteered more and lead more committees and more teams and did more 'things'. One day the small voice, leaving no doubt in my heart that it was God, whispered "serve me – completely". I was so busy serving corporations and myself, I thought doing volunteer work was what I was called to do for God. God asked me to work as hard for the Kin-dom as I was for others. Except - my Lord wanted all of me and made it clear that while it scared me to my bones, I would be blessed if I released worry about money and possessions if I left my corporate work and fully submitted to Kin-dom work. "I want you to love all others and do so in My Name. Tell them I love them. Show them." Here I am Lord, here I am.

Meals on Wheels is a program that delivers meals to individuals at home who are unable to purchase or prepare their own meals.

FUMCBV formerly supported Meals on Wheels by being the delivery distribution point in Bella Vista, but the program now has its own distribution center. However it's important to recognize the program exists whether you may benefit from it or may be able to support it. Volunteers are needed to help this program expand its reach. If you're able to assist with meal deliveries or meal prep, please reach out to Rita at 479-273-7348 at the Benton County Senior & Wellness Center. To see what other services are available and or how to make a donation you can visit their website at www.aaanwar.org.

Maryann (UWF Historian) is looking for the 2017 and 2018 scrapbooks. They were in the Library not too long ago. If you have them or know where they are, please contact the office or Maryann Johnson at 721-9987 as soon as possible. THANKS!

Several times a week we get asked "How can the flowers stay so beautiful in this hot weather?" It is the dedication of one person—**MARIAN LAWLESS**. She is here at the crack of dawn most mornings, watering can and hose in hand as she lovingly makes sure each plant has a drink before the heat of the day descends. *Thank You, MARIAN!*

Book Nook

Please look around your home for any FUMCBV Library books you may have checked out. We have many that were checked out as long as two years ago. If you are through reading, please return them to the Library, so that others may check them out to enjoy.

Attention all UWF (UMW) Reading Program participants: August 11th is the last day I can accept the information as to what program you completed (I, II, III, or IV). You can leave this information in the shoebox in the church library, email me jdvbellaavista@yahoo.com or call me at 479-876-1676. Thank you. *Diane Verville*

LAY LEADER'S MESSAGE

Dave Broers, Lay Leader

Leading an Active Prayer Life

As I piggy-back off of my sermon the Power of Prayer in July, it is important to be intentional in your own personal spiritual development. Your personal commitment to growing in your faith could begin with many things. I would like to suggest prayer. An active prayer life can be a major piece/peace to your spiritual development as you explore your relationship with God through quiet time, listening, requesting and conversation. My own prayer life dramatically changed a few years ago during and after a period of grief in my life.

As part of your own spiritual growth and for the growth of the church, it is important for a leader to surround work and decisions in prayer. When preparing to write this article I kept thinking and asking for inspiration about dreaming big and praying for God-size dreams. We as leaders and as churches often do not dream big. We as leaders sometimes struggle with knowing where God is calling us to be. We as churches often do not ask where is God calling our church to be. We have an awesome and amazing God seeking to work through us here on Earth if we would only ask and respond. I heard a prayer that had a number of lines that caught my attention. Here are a few lines from the prayer I remember:

Help me pray more. Connect me and You closer than ever before.

Moments when I listen to Your voice and discover Your will.

Times when I share my hopes and dreams with You.

Periods where I just sit in Your Presence.

You have visions and callings for me. Make it clear to me what they are.

Help me accept them. Empower me to live them out.

For me, as I pray about my future: Fill me with the desire to pray – big and bold prayers. Fill me with Your Holy Spirit and God size my imagination. Through prayer, mold me into everything You have created me to be.

I challenge you to read these lines of the prayer daily and watch your spiritual life grow. I encourage you, as a leader in your church, to invite others in the church to pray and respond to the call that God is calling for each of us. The power of prayer will change me, you, the Church and our community.

Peace and blessings. . . *Dave*

Artie Lawless,
UMM President

Hello Methodist Men!

Welcome to the month of August! I've been thinking lately that there might just be something to this the global warming thing they keep talking about. Either that or we're in training for moving to the planet Mercury where the average temperature is a balmy 350 degrees. ☺

All that being said I still see golfers out there in 100 plus degree heat. We are a resilient bunch for sure. I've been thinking about faith and how we can be pushed by the heat of the evil one to the brink. He wants to make it unbearable. He wants to push us to give up our faith. To tell God, we can't take it anymore, it's too hot to handle.

But remember, it's a test. A test of our resolve. Our faith tells us that heaven will be a place of cool breezes. God has the thermostat set at "ultimate comfort". We need to believe it to receive it. When life's demands become unbearable. Don't accept defeat. Put it on God. Get him involved. He's there just for you. He'll put the fire out. He'll relieve your task and set things right.

All you need to do is quietly ask him in your own way. Lord, I've had enough. I'm at my limit and I need your help carrying this cross. Reach down, take my hand, share my burden. Strengthen my faith in your promise. I believe in you, now and always.

Do this, put God on your side then ask yourself who can stand against you. This is not your battle alone. I hope as the summer continues you will all stay in touch, check on each other. We are all brothers in Christ and the precious sons of the most high God.

Many Blessings, *Artie*

PLEASE WEAR YOUR NAME TAG

Please remember to wear your name tag at all church events and activities. This will give our newer members an easier time of learning your name, and you theirs. Please let the office know if your name tag is AWOL and you need a new one. If you see someone you do not know, introduce yourself and welcome them to FUMCBV!

Choir & Handbell Practices will resume on

Wednesday, July 27th

Choir ~ 1:45 p.m. Handbells ~ 3:00 p.m

Although summer and daylight savings time (DST) still have a couple of months to run, our church's musicians are going to push the envelope a bit and "Fall Back" into our normal routine on July 27th. That's right; it's time to fall back into rehearsals and participation in worship for the Chancel Bells and the Chancel Choir as we minister to the congregation through our music.

Here's the deal; the Chancel Choir will resume practice in the sanctuary at 1:45 p.m. on Wednesday, July 27 and we'll sing our first anthem of the season at the 9:00 service on Sunday, August 7th. We'll sing "I'm Gonna Sing When the Spirit Says Sing," an Afro-American spiritual that I believe is particularly appropriate for a choir coming off of a month's vacation. Then, on successive Sundays, except for August 21st (more about that later), we'll be singing "Let Your Light Shine," "Pledge of Faith," "Jesu, Joy of Man's Desiring," and on Sept. 4th "Room at the Table." We'll also begin practicing the music for our church's Christmas program.

Chancel Bells will also resume their regular rehearsals on Wednesday, July 27th. We practice in the music room at 3:00 p.m. each Wednesday and play for worship services on the third Sunday of each month. Our selection for August 21st will be an arrangement of the hymn "Diadem" ("All Hail the Power of Jesus' Name"). It's # 155 in the Methodist Hymnal.

Following our practices on the 27th, we'll adjourn to a local eatery for a time of good food and fellowship to which all Choir members, Bell players, and their families are invited.

I hope you won't miss this opportunity to join us. Could this be the year that you will make a commitment to be a part of one or both of these special groups? I hope so, we'd love to have you.

Blessings, *Larry*

Best Choice.

Did you know that UWF can support local charities with money earned from saving **BEST CHOICE** bar code labels?

Lately it has been difficult to gather labels from UWF members because of fewer in-person meetings. This is such an easy way to participate in mission giving so we're asking EVERYONE to help. Please consider choosing *Best Choice* products, clipping off the bar codes, and, drop them in the **RED BOX** located on the UWF shelf in the Library. Thank You for your support!

Prayer Shawl Ministry

Prayer shawls are lovingly knit or crocheted, blessed by our clergy, and given to a church or family member, or a friend who is dealing with the death of a loved one, or a serious illness or injury. Prayer Squares and Coverlets are also lovingly constructed. All are welcome to join in this project. If you do not know how to knit these simple patterns, there is always someone who is willing to teach you. We have yarn and at time fall short of the shawls that are needed. If this is something you could do in your "spare" time at home, we could use your help. Please contact Pat Fox, the Prayer Shawl Team Leader, with any questions you may have.

PRAYER REQUESTS

As a church family we lift each other up in prayer for both our collective joys and our concerns. Prayer requests should be sent to Janet Walton at janet@lovelearnlead.com or 855-1158. You may also complete a Prayer Request Card in the Narthex or Becker Hall and drop it in the Prayer Boxes there. They are checked daily.

SPOTLIGHT on STEWARDSHIP

Shari Vermett,
Finance Chair

Feed the hungry and help those in trouble. Then your light will shine out from the darkness, and the darkness around you will be as bright as noon.
Isaiah 58:10

This month I want to spotlight our church's mission of snack packs for back packs. This project was started several years ago and continues to grow. The program is so important as it provides needy students with healthy snacks and quick meals for the weekend, as well as over extended holidays.

God's word has a special place for children and so should we. Children are such a blessing, and they are our future. Whatever we can do for them to ensure their success is so important. The poverty rate for Cooper Elementary is high, yet the students rate high academically due to the support of the community, mentors and supply of food. The food that we donate is used for weekends, but also during the school day as needed.

I want to thank each of you who contribute to this project. We also have applied and received grants, but as there is more and more demand the grants have become smaller. However, we recently received a donation from the charitable group that manages the recycling center. Just as I was worrying about the funds necessary for this program I received their call and offer of help. Another reminder of my favorite Bible verse: *Don't worry about anything; instead pray about everything. Tell God what you need and thank him for all He has done.* Philippians 4:6

Shari

OUR AUTO ANGEL MINISTRY NEEDS YOU!!

If you are able and willing, please consider becoming an Auto Angel. There are many in our church family who do not drive, or may be temporarily unable to drive. Taking them to local doctor visits or grocery shopping or other necessary local trips would lighten their worry load. There are very few times during the year that you would be called upon, but our current Angel list is becoming short.

What's the (Hi)Story?

Jill Hale, FUMC Historian

This month, we are blessed to have Sue Nebrig's FUMC Bella Vista story. I'm sure you will like it, here in Sue's own words:

Fred and I visited Bella Vista several times before he retired because he had an aunt and uncle living here, and with us being in Texas and our children in Missouri and Louisiana, this was a place to meet them for a weekend.

Seven golf courses were a real draw for Fred. We moved to Bella Vista in 1996 and started looking for a home to purchase and to find a church we felt comfortable in. We were Lutheran but wanted a church here that was open, friendly, and welcoming. We visited several churches, and our next-door neighbor at the time invited us to visit FUMCBV. The rest is history.

We found all the things we were looking for. Fred got involved in the Men's Club, again thanks to our neighbor who invited him. We both looked forward to the Pancake Breakfast twice a year. The church's golf leagues were also welcoming for Fred. I found the circles and the UMW were a wonderful way of getting to know other ladies. The yearly Bazaar was also a wonderful place to make lifelong friends, and helping others in our community just puts icing on the cake. I have always been interested in helping others in the community, and our Mission outreach projects through the last 25 years, such as Pak A Sak, The Goat Bank, Snack Pack for the Back Pack, and The Blessing Box just to name a few, are what make this church special to me. I am looking forward to our church continuing to be a place I enjoying being part of for a long time.

Sue, we truly appreciate your taking time to share your story with us. Thank you! Please let me know if you would like to tell us YOUR story! You can contact me by telephone at 479-344-6074 or 928-710-3612 or by email at rjhale68@cox.net. Submissions should be about one page long. I need them by the 15th of the month. Looking forward to more wonderful stories.

Jill
