“Vision Tests”

As one of many annual tests we are supposed to take, I found myself talking to a friend about my annual vision test set for later that day and telling him, “Oh, it’s the one test I don’t mind doing”. That’s true for me because there’s no pain, no prep, no “wrong answers”. He shook his head in disagreement and said he doesn’t like them. He has to get new glasses almost every other year . He barked about it: “The testing is not so bad, but I’m reminded each time that my vision needs another notch of correction.” He had good point and that’s why we are to go and get tested each year.

The next morning as I was reading my devotional, I realized my perception, my vision, of God’s Word needs a ‘vision test’ on a regular basis too. Our Gracious God wants us to have a greater vision of our God Almighty and the plans meant for us. We can tap into the power of God's vision for our lives by meditating on Scriptures of promise!

When you spend time in prayer, worship, and the Word, God will reveal dreams and visions far greater than you ever imagined. Here are my favorite Bible verses laid out into prayer form when I'm seeking the Lord's guidance and vision over my life, as well as a prayer to focus my heart. The renewal of my vision correction which I need on a regular basis.

Lord, I praise you for inviting me into your eternal purpose. I thank you that you are working out everything in conformity with the purpose of your will (Ephesians 1:11). You are the master strategist. Give me a greater vision of your purpose for my life. Awaken my heart and establish your reign in my life. Out of Your glorious riches strengthen me with power through Your Spirit in my inner being and give me a spirit of wisdom and revelation that I may know you better (Ephesians 3:16-17). Make me fully alive to your destiny in my life. Amen.

FUMCBV Concordia Folks Meet & Greet Pastor Ron & Julie ~ August 23rd

Doris Selley matching wits, word for word, with Pastor Ron!

Sunday Transportation Needed!

There currently is a need for Sunday drivers to pick up and return home, residents of Concordia who wish to attend church services. The list of residents is growing, and the list of drivers is shrinking. If this is something you feel you could comfortably do, please contact the office.

JOB BOOK

Have you seen a burned-out bulb somewhere, or a faucet leaking, or any other “something that needs to be fixed”? There is a JOB BOOK in the office where you can fill out a job request form. The Trustees check this book frequently, and try to fix whatever needs to be fixed—but if they don’t know about it, it won’t get done! Everyone can be the eyes and ears of the church. Thanks!

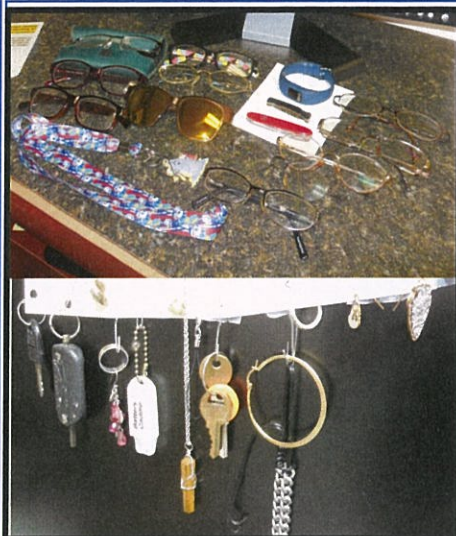

All-Church Parking Lot Movie Night

Join us the evening of Saturday, September 24th for a family movie night in the parking lot, with our giant blow-up screen. Bring your lawn chairs or a blanket & pillows and make yourself comfortable. We’ll supply the popcorn!

If you have a suggestion for a good family movie, or if you have one we could borrow, please let the office know.

LOST & FOUND

!!!

Last month we featured jackets, umbrellas, caps, gloves, & various miscellaneous items in the hall by the Library. This month,

check in the office for lost keys, earrings, pocket knives, a watch, etc. We have over a dozen pairs of glasses that will be donated to the Lions Club if their owners are not found soon. Everything will be donated if not claimed.

UWF circles are back in session after a summer hiatus. Ladies, if you do not belong to a circle, please consider joining any one of the below groups. The fellowship, fun, and mission give you a sense of belonging with a sisterhood of like-minded women in our church family.

I'm still recovering from my fall which fractured 3 ribs, however; doing much better.

A special Thank You goes to Pastor Ron for his concerns, prayers and hospital visit.

With your prayers and God's Healing Hand, I am doing well and look forward to seeing you in church. Humbly, I Thank You.

Blessings, *Don McMahon*

To our wonderful Church Family,

We can't begin to thank you for the many blessings you have brought us the last few weeks. Your cards, meals, thoughts, and prayers after the passing of our son and Nona's continued hospitalization will never be forgotten. We thank Pastor Ron for his care and concern as he keeps in close contact.

We are truly blessed to be a part of such a loving and caring church family. We love you all. *Jack & Nona Storck*

The **FRIENDS OF CHRIST** small study group is thankful to resume scheduled meetings in the Parlor on the 2nd Thursday of each month from 1:00-4:00 pm., beginning October 13th.

This is a Covenant group that journeys together as we grow closer to God and each other. Through Christian books, movies, and open loving conversations, we experience Jesus.

If you have any questions, please contact Deaconess Kandi Mount at 479-402-5200.

OUR FAMILY

Don't Miss it!

The day after Pastor Ron's message "Faith We Sing - Extraordinary Things!" of August 21, I remembered a social stigma that I decided to breach several years ago:

**"DO NOT TALK TO ANYONE
IN AN ELEVATOR!"**

At the time, I started thinking that here are social beings together in a small place for a short time, and all eyes are looking up at the lighted numbers as they go up or down.

I thought, what a waste of a few seconds or a minute, when I could smile and say "Isn't it a nice day?" or "How are you doing today?" It's even more fun when a parent and child are on an elevator with me. There are dozens of comments I can say from "What is the name of your stuffed elephant?" to "What a cute outfit your son is wearing." I can feel the tension in the air evaporate.

Of course over the years, I have become bolder in my elevator speeches. Recently, I was leaving my therapist's office on the third floor. A younger man and woman joined me in the elevator. I know that anyone going down from the third floor could be "crazier" than me. HA! But that just makes it more exciting.

The man was carrying a huge book with those feather light pages, and I knew at once it was a Bible. Doors close. I asked him if he was a chaplain and pointed to the book. He said "No, I needed my Bible for something I was doing today. I'm a Christian." It took me aback, but I replied quickly, "I'm a Christian, too!"

Lesson: "Don't miss an opportunity to further God's Kingdom!"

Everyone can come up with an appropriate "elevator speech", even if it is one question or statement with a smile!

LAY LEADER'S MESSAGE

Dave Broers, Lay Leader

It's September again!!!! Gone Fishing!!!!

John Wesley: How to Read the Scripture

If you desire to read the scripture in such a manner as may most effectually answer this end, would it not be advisable,

1. To set apart a little time, if you can, every morning and evening for that purpose?

2. At each time if you have leisure, to read a chapter out of the Old, and one out of the New Testament:

If you cannot do this, to take a single chapter, or a part of one?

3. To read this with a single eye, to know the whole will of God, and a fixt resolution to do it? In order to know his will, you should,

4. Have a constant eye to analogy of faith; the connexion and harmony there is between those grand, fundamental doctrines, Original Sin, Justification by Faith, the New Birth, Inward and Outward Holiness.

5. Serious and earnest prayer should be constantly used, before we consult the oracles of God, seeing "scripture can only be understood thro' the same Spirit whereby it was given." Our reading should likewise be closed with prayer, that what we read may be written on our hearts.

6. It might also be of use, if while we read, we were frequently to pause, and examine ourselves by what we read, both with regard to our hearts, and lives. This would furnish us with matter of praise, where we found God had enabled us to conform to his blessed will, and matter of humiliation and prayer, where we were conscious of having fallen short.

And whatever light you then receive, should be used to the uttermost, and that immediately. Let there be no delay. Whatever you resolve, begin to execute the first moment you can. So shall you find this word to be indeed to the power of God unto present and eternal salvation.

John Wesley

Preface to Explanatory Notes upon the Old Testament

EDINBURGH, April 25, 1765

Peace and blessings. . . *Dave*

Artie Lawless,
UMM President

Hello Methodist Men!

AH, September. Like a breadth of fresh (and hopefully cool) air! Time again for some fun facts. September, in the early Roman calendar, was the seventh month of the year. "Septem" is seven.

September is national Happy Cat Month. Not to be outdone, the 11th is National Hug your Hound Day. For those with young children or grandchildren, you may want to skip the 13th which is "Kids take over the Kitchen Day" (who makes up these things?). Of course, who would want to miss the 19th as it is "International talk like a Pirate Day".

It's all about Apples in September and I'm a huge Apple Pie fan (just ask Marian).. If you're born in September, your birthstone is the sapphire. Sapphires are thought to encourage "divine" wisdom and protection. God shows his love of nature with the Aster and the Morning Glory, The Aster signifies powerful love, the Morning Glory, affection. Isn't that what our lord is all about?

Finally I recall a man of great vision (John F. Kennedy) who gave a speech in Texas, on September 12th 1962, asking congress to pass a budget bill to put a man on the moon before the end of that decade. Not because it was easy, but because it was hard.

Christ has great visions for each of us and sometimes the way is not easy, in fact, in can be very hard. But he will not let us do it alone. September is a month of God. It's a month of Love, Affection, Protection, and Great Vision. Keep him in focus. He will not let you down.

So, enjoy September. Hug your dog. I'd be careful with the cat ☺. Talk like a pirate, enjoy some apple pie. Love God, for he loves you.

Many Blessings, *Artie*

PLEASE WEAR YOUR NAME TAG

Please remember to wear your name tag at all church events and activities. This will give our newer members an easier time of learning your name, and you theirs. Please let the office know if your name tag is AWOL and you need a new one. If you see someone you do not know, introduce yourself and welcome them to FUMCBV!

Musical Chairs

Dr. Larry Zehring, Director of Music Ministries

OUR CHOIRS ARE SMALL, BUT MIGHTY!

If you sing in the congregation on Sunday mornings, or in the shower as you get ready to come to church or work or wherever, we certainly would welcome you to join us in the choir loft every Sunday, and/or with bells in your hands on the third Sunday of each month.

Chancel Choir rehearses every Wednesday at 1:45 in the Sanctuary and Chancel Bells practice at 3:00 in the Music Room.

I hope you won't miss this opportunity to join us. Could this be the year that you will make a commitment to be a part of one or both of these special groups? I hope so, we'd love to have you. Blessings, *Larry*

Best Choice

Did you know that UWF can support local charities with money earned from saving **BEST CHOICE** bar code labels?

Lately it has been difficult to gather labels from UWF members because of fewer in-person meetings. This is such an easy way to participate in mission giving so we're asking EVERYONE to help. Please consider choosing *Best Choice* products, clipping off the bar codes, and, drop them in the **RED BOX** located on the UWF shelf in the Library. Thank You for your support!

Please help keep our **BLESSING BOX** filled with non-perishable food items, so that those in our community who are in need can replenish themselves here. If you are unable to shop for supplies, you can make a donation, designating it for the Blessing Box and someone will do the shopping for you. You are also welcome to drop off non-perishable items (NO out-of-date) in Office Wing Room 6 and we will fill the box as it is emptied. The Blessing Box really is a blessing to those in need. Thank you for your support!

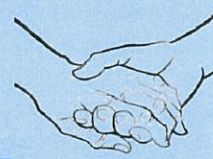

Congregational Care Ministry

If you are in need of a little extra TLC, there are those in the church who are trained to assist the pastor with helping you meet your need. Speak to someone with a blue nametag, or contact Judy Kaufmann for more information. You may also send a private message through the CCM email address at: ccm@fumcbellavista.com.

The messages are confidential and will be answered as soon as possible.

Your CCM Team
is here for you!

SHOEBOX MINISTRY

Shoebox is getting ready to start packing Sunshine Hygiene Sacks for the Cooper School kids. We are having trouble getting some of our supplies from the manufactures, so if you travel or stop in Walmart, etc., we are always in need of travel size toothpaste, shampoo, lotion, soap, and regular size bandaids, & small packs of tissues. Thanks to all for your help and support! ~ *Karen, Maryann, Cheryl* ~

PRAYER REQUESTS

As a church family we lift each other up in prayer for both our collective joys and our concerns. Prayer requests should be sent to Janet Walton at janet@lovelearnlead.com or 855-1158. You may also complete a Prayer Request Card in the Narthex or Becker Hall and drop it in the Prayer Boxes there. They are checked daily.

SPOTLIGHT on STEWARDSHIP

Shari Vermett, Finance Chair

Ecclesiastes 4:9 talks about advantages of companionship: *“Two people are better off than one; because they have a good reward for their labor.”*

In this verse, Solomon reflects on the importance of companionship and the benefits of people working together.

United Methodist Men is a group of men in our church who meet on the 3rd Wednesday of each month for a business meeting and dinner. Often, they have representatives from local charities and organizations from our community. They share good fellowship with one another and a desire to serve God, their church and their community. They raise money to support many different organizations such as The Alzheimer’s Association, Bella Vista courtesy van, Boys and Girls Club of Benton County, Habitat for Humanity, Helping Hands, NW Arkansas Children’s shelter, NW Arkansas Women’s shelter, Scouting Ministry Pack 3410, Troop 3410, Troop 3410G and many others. They raise funds by collecting golf balls and then selling them to a refurbishing company. Before Covid they hosted a pancake breakfast. Hopefully in the future they will be able to do it or something similar. For now, they have a *no-pancake pancake breakfast* where each member contributes funds to continue their giving.

The men are always willing to help. Several of the men volunteer to keep our grounds in good shape by mowing, trimming and weeding. Recently the United Women of Faith had a rummage sale, and the men were on hand to set up tables and when it was done to take tables down and carry lots of boxes. When it was decided that our church wanted to have a Blessing Box a couple of guys were there to build it. The church wanted to have a welcoming get together for our new pastor, Pastor Ron and Julie. Yet again the guys are on board and hosted a watermelon feed (see page 1) to welcome them into our church family.

They also have fun! They have golf leagues and bowling teams. Come join them. All men are welcome!

Shari

OUR AUTO ANGEL MINISTRY NEEDS YOU!!

If you are able and willing, please consider becoming an Auto Angel. There are many in our church family who do not drive, or may be temporarily unable to drive. Taking them to local doctor visits or grocery shopping or other necessary local trips would lighten their worry load. There are very few times during the year that you would be called upon, but our current Angel list is becoming short.

For more information, please contact Sue Nebrig 479-855-9269 or fneb@aol.com

Meet & Greet Fellowship Time

If you are able to host a fellowship Meet & Greet small group (12-15) gathering, either in your home or in the parlor at the church, please let Amy know. Pastor Ron and Julie would like to get to know you and to be able to talk informally with you. If you are not able to host a gathering, but would like to be included in one, please let us know. Several gatherings have already taken place, and we want to include everyone. Gather a group of church family friends and tell us when you can meet.

What's the (Hi)Story?

Jill Hale, FUMC Historian

It's September already! How can that be?

Our wonderful church congregation history continues with the story of Jim and Sue Prather. Here, as always, in their very own words:

We came to Bella Vista from the Chicago area upon Jim's retirement in December 1995. Seeing the golf courses and amenities close to shopping, recreational options, health care, and the seasonal climate confirmed Bella Vista was our retirement home. Looking for a new Church home, our first visit was the FUMC Bella Vista, and we found the members and staff very friendly and so welcoming that we immediately transferred our membership.

As members, we have experienced participation in many mission opportunities: Katrina Gulf Coast; UMCOR, Sager Brown Depot, Baldwin, Louisiana; McGhee, Arkansas, flood victims; Habitat for Humanity projects; Helping Hands; volunteers for golf tournaments raising money for NW Arkansas Children's Shelter; Cancer Challenge; Prostate Cancer Foundation; Christmas Angel tree; Meals on Wheels; and UMM and UMW fund raisers, just to name a few.

We were fortunate to travel with several church members to the Holy Land. Also, we both went on the Walk to Emmaus with fellow members.

Jim has served as Lay Leader, Lay member to Annual Conference, SPRC, nominations, chair of Church Council, Finance, and Past President of UMM. Sue has served on the nominations committee and as chair of the memorial committee. We were instrumental in the renovation of the lower level to accommodate class rooms for children and youth, including installation of safe sanctuary requirements throughout the church. Jim was in charge of modification of Becker Hall stage to facilitate a contemporary service including new sound system, lighting, and screens, as well as screens and sound in the sanctuary.

We believe we should do all that you can, in all the places that you can, for as long as you can. We are most thankful for the friendships and opportunities we have had at FUMC and the community.

Thank you so much, Jim and Sue, for contributing to this special series of stories. All stories are welcome. If you don't want to share your whole story of how you came to be at FUMCBV, but have a special memory you would like to tell us about, please do not hesitate. I can combine some of those special memories into a longer article. Let me know if you would like to tell us your story or anything about our church history. You can contact me by telephone at 479-344-6074 or 928-710-3612 or by email at rjhale68@cox.net. Submissions should be about one page long. I need them by the 15th of the month. Looking forward to more wonderful stories. *Jill*

GREETINGS FROM UWF

As we are coming to the end of summer and looking forward to Fall and the changing of the season, we first want to say a BIG THANK YOU to everyone who helped with our Rummage sale. Many hands worked very hard the first week of August and we are happy to report a profit of over \$4,000.00!!! We are all a bit older and maybe had to take an extra Tylenol but with the help of the BOY SCOUTS and many dedicated men and women, it all went very smoothly. So again Thank You to everyone who donated, and helped with this UWF project, which will add to the amount we will be giving to charities supporting Women and Children in Benton Co.

Our next BIG EVENT is our Annual Bazaar on October 1st. Again, we will need everyone's help. Our workshops are still every Thursday until the 21st of September. Just a reminder that anyone making things at home may drop them off any Thursday between 9 am and 2 pm.
